Scavenger Hunt

Shepley Wood, Jet Amber Fields and the Upper Haughton & Whittles Meadows are great places for a Scavenger Hunt.

How many things can you find?

Why not set a time limit?
How many items can you fit in a tiny box?

Just remember to take care and not collect living creatures, pick a petal not a whole flower and be careful of anything sharp.

Tick		
	Something shiny	Something with stripes
	A heart-shaped leaf	Something round
