## 2023/24 in review

Local pupils from Linden Road were a big help in seeding the wildflower patch last spring

Our partnership with Tameside Greenspace delivered a new wildflower plot at Whittles Meadow

Our regular spring clean of Jet Amber Fields had a great Coronation Special

Our Balsam Bashing efforts helped keep out the non-native invasive plants

## 2023/24 in review

We secured grant funding from the Community & Innovation Fund for path works at Jet Amber Fields

Our River Invertebrate Encounter Sessions helped young people learn about bio-diversity

We are always out and about making repairs across the valley, ensuring it stays accessible for all

Thanks to Suez for donating seeds to help sow some new wildflower patches

## 2023/24 in review

Our team are always out and about clearing up litter, thanks to Phil for bagging this mess up

We've cleared weeds from Fairlea wildflower meadow, with plenty of wildflowers to come back in spring

Thank you to all of those who have helped make our work possible over the last year.

Whether it is valued partners who support our projects, local schools and other community groups who regularly get involved, or our army of dedicated volunteers who give up their time to help protect and preserve the valley for our community, both for today, and future generations to come.

We look forward to continuing to work with all of you in the years ahead, as we continue to go from strength to strength.
